Shamita Shetty praises her old sis Shilpa

Shamita Shetty raises a toast to the courage of her Big Sister.

When Big Sister is on Big Brother, what does the lil sis back home feel like? Well, that's what we asked Shamita Shetty when we caught up with her at her Mumbai home. And guess what? The first reaction from Shamita was "I'm missing Shilpa a lot.

But I must say that it takes a lot of guts to be there on a show like Big Brother. This is the boldest decision that Shilpa has taken till date. I surely do not have the guts to be a part of such a show 24X7. It's too scary for me and I simply don't have the temperament to be there".

But what would have made Shamita happier is if she had got to see every show of Big Brother in India. "No, I am not getting to see all of it. But yes, everyone in the family is trawling the Net to get any information about the show.

Back home, we are addicted to Bigg Boss. Wish Big Brother could have been aired here as well. I'm sure I'd have been addicted to it too," she says with pride.
